

## IEC Telecom to exhibit at the 2017 DIHAD event in Dubai

**Dubai - March 19th 2017** - IEC Telecom, a YAHSAT and THURAYA strategic International Service Partner will use this opportunity to showcase the new technological satcom solutions that support the Humanitarian market.

Visitors coming to the stand R15-R16, will see how the company's investment in satellite technology continues to deliver innovations for UN and humanitarian organizations. With a sharp focus on cost efficiency, safety and ease of operation, a wide range of technical services and rapidly deployable solutions will be in the spotlight this year.

Delivering tailored solutions to UN and Humanitarian organizations and provide them with essential connectivity in the most isolated areas and extreme conditions, is one of the specialty of IEC Telecom.

Our solutions are always combining the most reliable satellite equipments (satellite phones, mobile devices to deploy Wi-Fi connectivity/ "Bring Your Own Device", portable & fixed modems, solutions with C-Band, Ku-Band, regional or global Ka-Band services), with a wide range of Value-Added Services to optimize the communications of our clients on site. We can also offer mobile, fixed or vehicular equipment to efficiently coordinate first response to disasters or emergency situations, easy to use and deployable in no time. Visitors will see how an advanced technology can enhanced mobility and shorter reaction times during the first critical stages of a crisis management.

For temporary camps and offices, IEC Telecom's experts deliver cost effective solutions. As a result, aid agencies can consolidate their relief efforts over time, using semi-fixed modems such as Inmarsat BGAN Link range or Thuraya IP+ and access corporate applications, manage logistics or even use low bandwidth videoconferencing solutions.

IEC Telecom's exhibition stand will also demonstrate a huge range of advanced tracking solutions - to ensure personal safety in hazardous locations and to get a complete view of your front-line staff's position in real-time.

DIHAD 2017 will take place from the 21<sup>st</sup>-23<sup>rd</sup> March at the Dubai International Convention & Exhibition Centre, Dubai, UAE.
