ENVIRONMENT – ON
FOOT, IN VEHICLE**

**REINFORCED
PUSH-TO-TALK BUTTON**

**OFFERS WEB-BASED
COMMAND CENTER FOR
SUPPORT AND
MAINTENANCE**

**MEETS HIGHEST PHYSICAL
(IP65 RATED) AND
SECURITY STANDARDS**

Iridium Extreme® PTT is a completely mobile satellite handset, removing the need to be in or around vehicles. Designed to support critical communications and high intensity users even in the harshest environments, it allows users to be automatically registered via visual and audio scans.

Iridium Extreme® PTT is powered by Iridium®, the only satcom network with pole-to-pole coverage. In the capacity of Iridium® partner, IEC Telecom delivers high-end satcom services to its customers all over the globe since 2013.

BENEFITS:

- Automatic registration of talk group users
- Visual and audio talk group scan
