

# GLOBAL 24/7 TECHNICAL SUPPORT

Five dedicated channels of support

IEC Telecom is committed to providing customers not only with voice and data satellite connectivity, but also with tailored services that ensure optimum use and control over their communications.

Our support team is dedicated to offering the best possible customer service that ensures the highest satisfaction levels.

- TECHNICAL SUPPORT
- EQUIPMENT QUERIES
- AIRTIME QUERIES
- ACTIVATION/DE-ACTIVATION/ SUSPENSION/ BARRING REQUESTS
- PLANNED MAINTENANCE QUERIES
- UNPLANNED OUTAGE QUERIES

Our 24/7 support team can assist you in different areas across the globe in many languages.

With six channels of technical support, you're guaranteed bespoke customer service to best suit your business needs.

## EMAIL SUPPORT

### STANDARD EMAIL SUPPORT – [support-global@iec-telecom.com](mailto:support-global@iec-telecom.com)

Available from 9am to 6pm (CET time), Monday to Friday.

When you send an email to the above address, a ticket is automatically created and updated.

Your Account Manager is automatically added to the request when you write from your corporate email address.

### PREMIUM EMAIL SUPPORT – upon request and accreditation

A new email raises a ticket and updates are added to it automatically.

Your Account Manager is automatically added to the request when you write from your corporate email address.

## GLOBAL 24/7 HOTLINE

Upon emergency and customer accreditation, you can call your Account Manager to find out more about this service.

Middle East: +971 (0)4 55 86 497
