

ACCESSORIES

SATTRANS VDA XT-PRO

High-quality hands-free satellite
service in vehicles

**HANDS-FREE CAR KIT****NOISE SUPPRESSION AND VOICE ATTENUATION****3-IN-1 EXTERNAL ANTENNA FOR SATELLITE/GSM/GPS****SEPARATE HANDSET FOR PRIVATE CALLS****COMPACT AND EASY TO INSTALL**

With a Digital Signal Processing Box, the Sat-VDA ensures crystal clear voice communications over uninterrupted satellite service. The hands-free features of Sat-VDA offer a comfortable and safe drive while using Thuraya XT-PRO and XT phones.

With built-in capabilities to use all features of the Thuraya network service such as automatic GSM roaming, GPS, text messaging, 9.6 kbps data, voicemail, call forwarding, and more, the Sat-VDA is also operationally compatible with GSM phones.

With a fixed magnetic mounting plate for the cradle, handset for private conversations, and automatic muting of the stereo during a call, the Sat-VDA is a premium vehicle communications unit.
